Atika Wines is pleased to present

“Shrouded in Silence”

By Beata Frey Taylor

Directed by John Wood

A unique opportunity to hear this play reading on the rooftop of Tonic House in Melbourne.

Hear this poetic drama that explores the life of a family entangled in a web of consequence, disconnection and inevitability. It reflects on life, relationships and the choices that are made for us. Enjoy the play, a glass of wine, the summer night air and seeing the lights of the city come alive. This will be a truly unique and memorable evening.
